

The U.S. is amid a major transformation in health care, bringing home care and hospice to the center of care delivery. With that change, the financial management of home care and hospice has grown more important than ever. The Home Care and Hospice Financial Managers Association (HHFMA) connects industry pros that operate in the management or the financial arm of the nation's home care agencies and hospices.

HHFMA is a trusted resource for financial managers who want to seize opportunities and tackle emerging challenges. Join forces with CEOs, CFOs, owners, consultants, and financial management experts essential to the industry's mission. Be a part of the mix by joining HHFMA today!

Be Connected. Be Heard.

hhfma.org

Benefit with HHFMA.

Receive real-time information about finance and management: access timely newsletters, the member-only online community, and the monthly *Call with the Experts*.

Your Voice on the Hill & Beyond

HHFMA produces and advances policy reports on relevant issues to Congress and the media to represent industry priorities across all levels of advocacy.

The Best Insights Available

Access solutions to your most complex problems through benchmarking, periodic white papers, best practices, advice on the PDGM, the monthly *Call with Experts*, and more.

Meet Your Next Opportunity

Networking opportunities with the leading experts when you attend a conference or webinar. The monthly *Call with the Experts* and the online community are great ways to make new connections.

Grow Your Career

Join to get exclusive opportunities to enhance your career by obtaining continuing education credits (CEs) through in-person conferences or online learning.

Information Technology vs. High-Touch

Bridges the gap between Information Technology and home care agencies to increase access to service, improve the quality of care, lower costs, and develop data that agencies can use to guide their management decisions.

Big Data

Get access to large data sets mined and verified to help with benchmarking statistics for understanding the industry's growth and trends.

Strategic Planning & Research

Get assistance with the development and implementation of strategic plans. Also, HHFMA will assist you in sponsor research to obtain relevant data or information that is not generally known or available.

Be Involved. Be Ready.

There are many benefits to becoming an HHFMA member, here are just a few:

- › Exclusive network of financial management pros in home care and hospice
- › Access to the expert-led and reputable *Call with the Experts*, online community, and benchmarking reports
- › Opportunities to add your voice to advocacy and policy initiatives
- › Level up your leadership skills, and maybe serve on HHFMA and Alliance Boards
- › Coordinate educational programs exclusively for financial managers
- › Develop timely policy reports issued to Congress and the media critical to the industry
- › The best insights, business solutions, best practices, and education in financial management
- › Join one of the many committees to monitor trends and spearhead projects
